To whom it may concern,

Re: Ms. Angela Lai

Ms. Angela Lai has been employed under the Asia-Pacific Academy of Ophthalmology (APAO) since 2006 as the Senior Congress Manager. The APAO has decided to relocate the Central Secretariat to Guangzhou, with the family and kids in Hong Kong, this makes it difficult for Angela to continue to serve the Society.

As the Vice-President of this organization and the Congress President of the APAO/SOE 2012 Annual Congress, I am more than happy to have Angela leading the team and to ensure the success of the congress.

Angela is not only taking this as one of her working tasks, but she devoted herself to the Society, to ensure every arrangement is of the biggest benefits to every parties, the Society itself, the delegates, the sponsors, the exhibitors and even the vendors.

I have no hesitation in recommending Angela Lai and her company as a Professional Congress and Event Organizer. With her and her team's professional experience, I am sure they will be able to provide you with excellent outcomes far beyond your expectations.

I am happy to be contacted for any future references if necessary.

Best regards,

Prof. Hyung Woo Kwak
Congress President, APAO-SOE 2012
Former President, Korea Ophthalmological Society
Vice-President, Asia-Pacific Academy of Ophthalmology
