REFERENCE FOR ANGELA LAI

In my role as President Asia Pacific Vitreoretinal Society, it is my pleasure to provide a reference for Angela Lai whose professionalism and expertise in arranging and co-ordinating medical scientific meetings is well known to me.

Angela has been a Chief Administrator for international meetings both in Hong Kong and in the Asia Pacific region for our Society on several occasions. I can report that her attention to detail was impeccable. She has a cheerful efficient manner and is able to deal with a wide range of delegates, invited guests and trade exhibitors with a minimum of fuss.

I wish Angela the best of fortune in her new venture as an independent conference co-ordinator and planner.

Yours sincerely
